

Lake O' Springs Village

A Green Community

Ohio Vedic Homes, LLC has purchased the 60-acre Lake O' Springs resort in Jackson Township, Stark County, Ohio. Most of the property is undisturbed.

OVH is developing the 12 acre southwest side of the lake property as "Lake O' Springs Village," with 25 single-family homes to be built as an Ohio demonstration project for a moderate green energy architecture. (See Green Building Standards) An additional 14 home sites are for sale around the lake that can be built with traditional architectural styles.

OVH is pleased to welcome Lillian Fuentes with Keller Williams as its agent. Lillian is trained as an agent and broker. She has watch both Lake Cable and Lake O' Springs waterfront communities in Jackson Township, Stark County, Ohio develop over the last years. Lillian's professionalism and heartfelt service to her clients will make your purchase and homebuilding adventure a delight.
