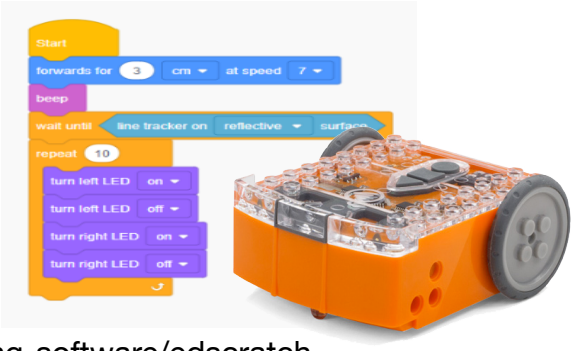
Edison Robotics - EdScratch Quick Start Guide



Go Code: www.edscratchapp.com
Getting Started Guide: meetedison.com/robot-programming-software/edscratch

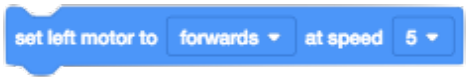
Edison Basics:

1. Move:

Draw the block to get Edison to move

2. Turn

What does each turn blocks do?



3. Outputs

List all the outputs:

Draw the blocks:

4. Inputs

List all of the sensors:

Draw the blocks:

5. Algorithm

Write the pseudocode for an Algorithm that combines the inputs & outputs.
