

## Visiting Artist for May: Photographer Stephen Parker

We are happy to welcome Stephen Parker and his modern colorful photographs to Cazenovia Artisans as our Visiting Artist for the month of May. Steve has taught photography in the area for years, and was the sports photographer for Syracuse University. On display will be his show of photographs taken in Cuba called "Bits and Pieces: Cuba and the Past". Steve's photographs let us inside a unique country that few of us are likely to visit. Come see them and Cuba for yourself.
