

CAZENOVIA ARTISANS

New Work for June at Cazenovia Artisans

Our members are always busy, always creative, always ready to try something new. Every month, we will bring you a few examples of new work by our artisans and artists. Stop by and see for yourselves.

Another Fabulous Necklace by Dee Ann Von Hunke

Dee Ann is modeling a really gorgeous new necklace that is here in her display. It is made of Argentium sterling silver and features a large labradorite gemstone and a smaller stone of quartz rutile. Dee has not only made all of the silver components of this necklace, but she also cut and shaped and polished the stones by hand. Come in soon and try it on yourself!

New Candlesticks from Ede Walker

A few months back, in the dark of winter, some of our members started thinking about light, and working in tandem to bring in some new work that feature light. These lovely and simple candlesticks by Ede Walker are one outcome of that idea. They have an ancient and yet timeless appeal, and look like they would be equally at home on a hearth a thousand years ago or on your own dining room table. We even carry the pure beeswax candles that show off their natural appeal.

Tad Retz Scene from Maritime Maine

Tad Retz is the youngest artist here at Cazenovia Artisans. He prefers to paint outside, in a "plein air" style. We love his beautifully textured paintings of Maine. This new painting of a boat in dry dock will be available to admire as of Friday, June 2nd.

Natural Insect Repellent from Balsam Rose Soap

Balsam Rose Soap Company's Nature's Repellent is now available at Cazenovia Artisans! This 100% natural, well-researched, and locally tested bug repellent is very effective and it is DEET-free.
