

CAZENOVIA ARTISANS

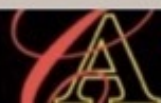

A New Age of American Impressionism

Young painter Tad Retz's paintings have been in our shop for a while. We are so happy to have his work, both because we are glad to have it grace our own walls, but also because we are able to make it available to you, lovers of art. Tad travels a lot in order to paint what he sees in different places. (In fact, he has just returned from a painting trip to Iceland. We can't wait to see what comes from his trip to such an interesting landscape.) Come meet Tad, and see how he sees the world.
