

CAZENOVIA ARTISANS

New Work for July at Cazenovia Artisans

Our members are always busy, always creative, always ready to try something new. Every month, we will bring you a few examples of new work by our artisans and artists. Stop by and see for yourselves.

One of Shawn Halperin's Chickadees Has Landed on Our Walls!

Shawn is busy at her bench today, and is in the finishing stages of a new wall sculpture. Here is a Chickadee happily at rest on a tree branch, and ready to bring the beauty of birds into your home.

Beach Bags by Wendy Edwards

We love all of Wendy's work, and nothing gets you ready for a day at the beach quite as nicely as one of her beach bags. They are made of linen and feature a bold striped pattern. They tie at the sides so you can adjust them as you need to. They have an outer pocket with a velcro closure and an inner pocket that zippers shut. Big enough to hold all your beach essentials, these bags are a must-have for summer!

Lovely Hearts in Lovely Colors by Paula Burke

It is always exciting to see *really* new work by our members. These hearts are something new for Paula Burke - a new shape in lovely bright colors. And it's always good to be reminded that art for walls can be three dimensional. Love!
