

CAZENOVIA ARTISANS

It Really Is Our Favorite Time of Year!

These precious few weeks, between Thanksgiving and the New Year, are our very favorite time of the year here at Cazenovia Artisans. The shop sparkles, members come and go as they restock their displays, we wrap, wrap, wrap to our hearts' content, and we get to share in the joy that comes from giving beautiful hand crafted presents to those you love. So make sure to visit the happy Cazenovia Artisans this holiday season!

Extended Hours and Free Gift Wrapping

Don't forget that we are always happy to gift wrap any of your purchases. It's true year round, of course, but it's especially nice at this time of year, when we all have more things to do than hours in the day.

Heirloom Wooden Toys for Christmas

We have the very best wooden toys - the kind that are passed from one generation to the next. They are made by John Knapp from wood that he harvests from his own land, and finished so as to remain kid safe for years and decades to come.
