

## **Cazenovia Artisans Welcomes Linda Bigness**

We are thrilled to highlight our newest member, Linda Bigness, with her latest artwork in oil and encaustic for the month of February 2019. Her work is widely recognized for the use of color in abstract paintings often suggesting landscape and familiar objects. She has work in public and private collections throughout the United States and Europe. This small body of work is based on her explorations into wax based painting and promises to delight the viewer with color and whimsy. Join us for a reception on Saturday 9, 1-4pm to meet the artist and share in refreshments.
