

February 14, 2019

To the participants at Winter Blast and the Ontario Cheerleading community,

On behalf of the Board of Directors of the Ontario Cheerleading Federation (OCF), I am writing to address the awarding of bids on Saturday, February 9, 2019 at Winter Blast in Cornwall, Ontario. At that event we awarded 1 Partial Paid and 3 At-Large bids to the 2019 IASF Cheerleading Worlds. Following the event, it was determined that the awarding of those bids did not satisfy the bid declaration for the event as posted on the OCF website and in the RegChamp registration software.

After an examination of the facts, we determined that the results from the event that were published and sent out through the scoring software contained an error that did not match with the results based on the judges scores from the event. It was also determined that the At-large bid reserved for the 5.0/Global Cheer division was awarded using an assumption of the bid status of the teams in those divisions that was not accurate.

As a result and with the blessing of the IASF as well as Cheer Canada, the OCF will be awarding an additional Partial Paid bid to the International Large Coed Level 6 team Flyers All Starz Shock and an additional At-Large bid to the International Level 5 Global Cheer team Flyers All Starz Intensity.

Thank you to all of the teams involved in this event for their patience as we came to this decision.

Please direct all questions related to this announcement to myself via email - [president@ocfcheer.com](mailto:president@ocfcheer.com).

Sincerely,

Cj Pugh  
President
