

Anti Doping Policy

On September 22, 2017, the Board of Directors and the members of the Ontario Cheerleading Federation voted to adopt the Anti Doping Policy developed by the Canadian Centre for Ethics in Sport. A copy of the policy can be found on their website at www.cces.ca.

The OCF now support all activities of WADA - World Anti Doping Agency (there is more information on the WADA on the cces website mentioned above).

In addition, a list of banned substances and methods can be viewed at:
