Re: COVID19 (Coronavirus)

As Salaam Alaikum

After discussion with County officials and per the guidelines given to us by the State and CDC, we will be postponing our Annual Family Day/Educational Weekend. The Educational Luncheon scheduled for March 28th will be rescheduled and the upcoming date is pending in the next few weeks Insha'Allah. Our goal is to continue the tradition and we look forward to celebrating Family and Education with our scholarship awardees and guests. We plan and Allah (G-d) plans and I bear witness he is the best of planners. If you have any questions, please contact us.

Thank you for your help and cooperation
