

UNIFORM POLICY

Please support our teachers, who are asked to uphold the school's uniform policy. The policy was prepared by the school board, in keeping with a Catholic school setting. Jackets **will not** be worn in the classroom. If a student becomes cold, red cardigans and St. Mary sweatshirts are for this purpose.

Please **write your students name** on the inside back collar, with permanent marker, in all sweatshirts and cardigan sweaters. This allows you a better chance of return should the clothing be misplaced in the classroom or on the playground.

BOYS:

Slacks: Navy dress slacks are required. Navy walking shorts are optional. It is recommended that these be purchased through Schoolbelles, because of the superior quality. However, you have the option to purchase them elsewhere, providing they are not topstitched in white and do not have elastic at the ankles. We also ask that the students **not wear cargo pants or those with large pockets** sewn on the outside of their pant leg. Navy denim pants and navy denim shorts are not accepted. Pants must be non-faded with no torn knees. Shorts must be of knee length not below mid-calf. Shorts can be worn all days except Mass days (Wednesday's and Friday's) with weather permitting.

Shirts: Solid red or white golf shirts or turtlenecks maybe worn. White oxford shirts which may be purchased through Schoolbelles or elsewhere, are acceptable. Please make certain that the jumpers/skirts are of knee length or longer. Absolutely no rolling of skirts is allowed. Full length leggings can be worn under jumper/skirt for warmth but they must be navy blue, red, black or white and must be worn with socks. Skorts are not accepted.
