

HOSTS NEEDED

Would you be willing to spend the night at church on Maundy Thursday, April 13, to keep the lights on and welcome people as they arrive to participate in the “watch”? What “watch” you may ask. Well, after the Maundy Thursday 7pm service the consecrated bread or Holy Sacrament, is taken from the sanctuary and placed at an “altar of repose” in the narthex, the area outside the back doors of the sanctuary. People are signing up to take turns sitting silently to “watch”, or “guard”, or “attend” the Holy Sacrament” for one hour each until 8 am on Good Friday when we will have a short service and the watch ends.

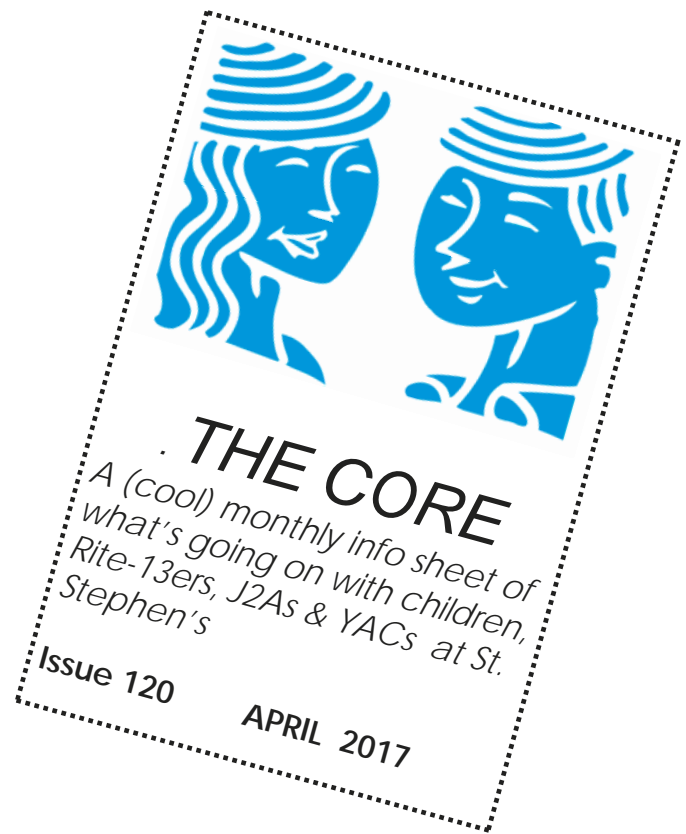

I will be there with a few youth to be hosts to keep the lights on, let people in, and be available to watch if someone is late or can't come. Do you want to help me? Let me know. Thanks.
