

NEW SEASON, NEW TRAMPOLINE, NEW RECREATIONAL PROGRAMMING!

Salto's Innovative Fall Session

What's new this season? Quite a bit actually. Let's get right to the interesting and frankly most important part of the Fall season in Salto Gymnastics, new trampoline programming! Starting right now, all CanGym and Homeschool classes will include CanJump (Canada's Recreational Development Program for Trampoline and Tumbling) training.

What is the CanJump Program?

CanJump is an innovative recreation program dedicated to teaching trampoline and tumbling to children 6 years and up in a fun, challenging, and rewarding atmosphere.

**CanJump is supported by
Gymnastics Canada
and Alberta
Gymnastics
Federation**
