

Greetings from Down Under.

The past few weeks have been incredible for us. Over the weekends, we had three retreats to seek God about the next season we are entering into, and it has been incredibly rewarding listening to God and having Him remind us of all things He has been speaking to us.

Right before leaving for our first retreat, we were in prayer with our staff about a nation we have been praying for and that we are wanting to continue sowing into. God started to speak to the staff about this nation, as I heard what He was saying to us, I said "Lord we need more connection and relationships". The next morning I woke up to an email with an invitation to come over and minister in the city we were praying for! So here I am in the airport getting ready to go! Please pray for this time as it is super exciting.

May the Lord bless you all.

Pray for our family and for more monthly commitments to help us serve the nations.

Pray for the continuing relationship with PNG and the \$1300 AUD for an upcoming trip to minister and scout out new ministry opportunities.
