Tables & Chairs are extra.

The Enchanted Meadows small weddings is more memorable than standing in front of the justice of the peace. It is a Private setting, where strangers can't walk in on your wedding that would could happen in a park. Quiet, secluded where your small party can enjoy a large fanned out meadow with Alter, dance floor & tents. We have a waterfall feature for photo's or just enjoying the sound of a small creek. Our outhouses are decorated in a country style setting that makes it more welcoming than just a honey bucket. The venue isn't just suited for casual affairs (although they're perfect for those, too), they can also be glammed up for a glitzy event with an added rustic edge. If you want the occasion to be memorable, with laid-back elements to create a casual, easygoing & beautiful small wedding this is the least expensive you will find for this type of venue. Bring in your own decor & fancy up the place the way you want it. You can choose however number of tables or chairs you need. \$6.75 per table & \$1.25 per chair. Or you can bring in your own. We are laid back & easy to work with.
