

What to expect when you visit Choice Hills Baptist Church

Often, visiting a church for the first time can be an frightening experience so we want to let you know what you can expect when you visit.

First, you will receive a warm and friendly welcome from our members. Be prepared as you may receive a hug from Samantha our official hugger,

When are our services

WE offer two worship services one at 8:30 and 11:00. Each service has a different message. We have Sunday school for all ages and begins at 9:45.

Our Sunday evening service is at 6 pm and we have a Wednesday Bible Study at 6 pm.

What are our services like?

WE know that you will find our worship services warm, friendly and down to earth with a mixture of hymns, special music, praise and a message from Gods Word.

WE want to provide a place where folks can come worship our Lord and get to know him on a more personal level.

I'm I Going to standout when I visit

Heavens No! You will be welcomed by one of our greeters and given information about our Church. But no one will point you out in an embarrassing way during our service.

What should I wear?

Please dress casual like when you're with your friends. When you arrive, you will see folks attired in casual attire and some in their Sunday Best. Our desire is for everyone to feel comfortable while you are with us. There is no dress code.

I'm expected to make a donation?

The simple answer is no. But if you desire to help support our ministries, we thank you for your support. We only ask that you drop your visitors card in the offering plate.

Is there anything for children?

WE have many ministries for children and we invite you and your kids to visit our Life Center building, some would call it a Gym, but its where our children can be children. Church and Gods Word should be fun.

We offer Nursery services during all services,
