Wisdom in language learning

Dear supporting churches and praying friends,

We are officially in the hottest months of the year here in Indonesia! Refreshing, rainy evenings are much looked-forward to. Yet, the heat hasn't deterred us from having two of the busiest weeks in ministry!

Two weeks of Kids Camps!

During the last two weeks of June, our team hosted two weeks of kids camp: Sports camp (June 17-21) and Music camp (June 24-28). We want to thank those of you who prayed alongside us specifically for these two weeks. It was a time of stretching for my Bahasa as I led **sports camp - we saw a high of 27 kids that week! During music camp, we saw a high of 30!** On the last day of both weeks, we held a tournament for sports camp and a recital for music camp, as we invited the parents to attend. Many of these parents were so pleased that they asked us to run these programs on a weekly basis! We already had some new faces introduced to our Wednesday night kids club from the turnout of these camps.

Pregnancy Update

During her first pregnancy, Kezia developed a condition which has a high chance of returning in subsequent pregnancies. It is not harmful to her or the baby if caught early enough, but doctors need to run tests and induce her some weeks before her due date. After much prayer and counsel, as well as doing research, inquiring with healthcare professionals and seeking out different doctors, we are at peace with this decision of returning and having the baby in Canada this coming August. We believe this will be the best thing for Kezia and the baby. She will be delivering in the same hospital in Ontario where Kalel was delivered. We are so thankful that the Lord has led us to a great obstetrician who is knowledgeable about this condition and has already treated Kezia so well. Please continue to pray for a healthy pregnancy and delivery.

The Lord has opened up more ministry opportunities for me over the summer months. I am now **teaching the Wednesday evening English Bible study as well as preaching every few Sundays.** I have also been **leading music in Bahasa on a weekly basis now.** Please continue to pray for wisdom as we work at becoming fluent in Bahasa. We are thankful for each of you that pray for us and encourage us. May the Lord continue to bless your faithfulness!
