

# **Pomaikai**

Pomaikai is a descriptive word that means to be happy; to be blessed; to enjoy peace; or to be highly favored. Maluhia Baptist Church has shown us so much of God's blessings and peace. 2019 might have been one of the hardest years of our lives, but the reward that comes through all the hard work and tears has been incomparable. As we look back on the past two months and the past year, we are overwhelmed with God's favor and love.

Since we are in our first year as a church, we are excited about every event we have. In November, we had our first veteran's day, where we honored veterans with a small gift. We also had our first thanksgiving service, where we took turns to praise God for what He's done. During this time we also started planning for the Christmas season.

Through December, the craziness of the season brought a lot to do, but God gave us some amazing opportunities. At the beginning of the month, we were able to have a tent at our local Christmas parade, and hand out free waters, do some raffles, and give out hundreds of invitations to church with the Gospel on it. We had so much fun as a church family meeting others in our community. We also had amazing times for Christmas Eve and New Year's Eve. We had several visitors this month that we have started the follow up process with. Lastly, we ended the year with our first baptism. Dennis got saved in October, and came to me this month after he returned from vacation saying he has been praying about getting baptized. What a special way to end the year.

Please pray for us this month and this new year. Nothing is possible unless we have the power of God. This month on January 26, we are going to be having our charter service- please pray for us during this special time. Also, please pray for us as we are planning for Easter and other special events this spring. Mahalo for your support and prayers, and Hau 'oli Makahiki Hou!
