

# ENGAGE YOUR DEVOTION

## SUMMER EDITION

Read one chapter each day and write about your thoughts in your notebook. Don't know what to write? Here are a few questions to help you get going!

- What does this chapter teach me about God the Father, Son and Holy Spirit?
- What does this chapter teach me about humanity, the followers of Jesus and/or me?
- What is an appropriate response to this chapter for me personally and/or for us collectively?

Then, spend time praying over what you read and wrote. Praise God for who He is! Confess sin. Ask God for greater insight. And, commit to follow through on what was revealed to you. Feel free to write about this as well.
