Emmanuel Church Family Photo

Please join us September 15; we will gather after service to get an updated photo of our Church Family.

Families with A Future

Our families' ministry is gearing up to start on Wednesday, September 18. We are inviting all families to consider being part of this fall's session as we will be working through The Family Project. This curriculum explores the theological, philosophical, and cultural underpinnings of the traditional family, and combines that information with inspiring stories and practical tools to help families thrive. Space is limited, so be sure to register with Paula at (902) 308-1841.

Teen Challenge

Students of this 12-month residential rehabilitation ministry will be at Emmanuel Church on Sunday, September 22. Plan to be there as this group will be presenting inspiring stories of redemption that will fill you with hope!

News from the Elders-*Prayer Chain*

The prayer chain has served as an avenue for people to be prayed for. A group of dedicated people were ready to pray for any and all requests that came their way. For several years now the group has faced challenges with fewer people willing to pray, and fewer people asking for prayer and providing subsequent updates. With a renewed focus on the Scriptural command to 'call the Elders' (James 5:14), and with the development of prayer ministry teams for 'after service prayer', the Elders decided to bring the ministry of the prayer chain to a close. That said, we look back with gratitude on the many years this ministry has been operational and trust that we will only grow in prayer in the years ahead.

Sunday School

We're looking for a few Sunday School leaders. We ask that you prayerfully consider if this is your gifting and if God is leading you to assist with our next generation of believers. Should you have any questions and are interested please see Kyla.
