Families with A Future

Our families' ministry is gearing up to start on Wednesday, September 18. The Family Project curriculum explores the theological, philosophical, and cultural underpinnings of the traditional family, and combines that information with inspiring stories and practical tools to help families thrive. Space is limited, so be sure to register with Paula at (902) 308-1841.

Teen Challenge

Students of this 12-month residential rehabilitation ministry will be at Emmanuel Church on Sunday, September 22. Plan to be there as this group will be presenting inspiring stories of redemption that will fill you with hope!
