Nov 23–25 Emmanuel's 25th Anniversary

Dec 1 Start of Advent Season

Fellowship Room

In the weeks ahead, we will be hanging some curtains in the Fellowship Room to see if we can dampen some of the echo in the Fellowship Room. If it works, we will consider ways to make it look good.

\$5 Challenge

We have been challenged to 'stop wasting money' (on things we don't need anyway) and deposit it in the wooden box until the spring of 2020. At that time, we'll have a potluck where we will find out how much money was saved from being wasted, and we'll decide together what we should do with it!

See Barry Roscoe or read Pastor Sweis' blog online for more information!

Lawnmower

First of all, a huge thank-you goes out to Barry for faithfully looking after the church lawn with his own mower after the theft of the church' ride-on mower. Looking forward, however, the deacons propose we purchase a good used ride-on mower. If you know of any, please speak with Bernie.

To Memorize....

"His master replied, 'Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!' *Matthew 25:23*
