News from the Boards

Constitutional Update

The Elders discussed the possibility of making updates to the Emmanuel constitution. This consideration was brought on by narrowly missing quorum requirements to affirm nominated elders at the AGM. However, with several pressing issues demanding focus and ministry, they decided to hold off the very time-consuming work of a constitutional update for now.

Send a Kid to Camp

This campaign will launch on March 22 and run until Mar 3rd. Families with children that might want to attend camp will be given a letter explaining the process.

Help Wanted

The Deacons are in need of a seamstress to help them reduce the echo in the Fellowship Room in a cost-effective way. Please speak with John Harrison for more information.
