## Banquet 2017

### Coming up quickly!

We had so much fun last year with Comedian Paul Aldrich that we decided to invite him back for this year's banquet! Paul weaves music and comedy together to keep us all in stitches.

Some have said, "But, wait, this battle for LIFE that we are in is not a laughing matter. Isn't the banquet supposed to be about the Pro-Life issues we face?"

My answer—of course it is. During the evening we give a ministry update, discuss our goals for the future, hear from a client and/or a volunteer, and then we hand the microphone to the comedian!

Nothing is more relaxing and enjoyable than to laugh. Paul is on the Board of Directors of a Pregnancy Center where he lives. He knows first hand the struggles of this ministry. That is why his comedy is so relevant to us.

We are busy making plans for our Banquet 2017. We would love to share the evening with you! If you would like to receive an invitation, please contact us right away. We will be sure to get your name on the list.

Can you invite some friends and family to join you at your table that evening? Please contact Karen to find out more about being a table host for us.

United together we can end abortion in this county, this state and across the nation!

**Date:** Thursday, April 6

**Time:** Doors open at 6:30pm

**Where:** Andres' West Banquet Center, Fenton

**RSVP required.** Please contact us for an invitation

### Silent Auction Items Needed

Having a Silent Auction the same evening as our banquet has always been a huge success! We plan to include this special event again this year.

This means we need Silent Auction items!. Please consider donating an item (such as a couple of your season tickets to a game, a portion of your time-share, etc) , coordinating your Sunday School class project and create a basket (such as a Movie Night basket to include microwave popcorn, a good family movie or two, bottles of soda, etc. Or a Family Game Night basket which could include a game or two, candy, fruit drinks, etc.) The list of possible baskets is endless!

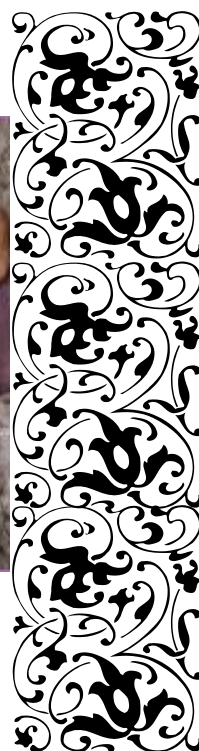

You may know someone who owns or operates a business. You might consider asking that person to give something for the auction that would end up being a great promotion for that business.

Ideas? Able to donate? Need any assistance? Please check page 4 for our contact information. Our Silent Auction coordinator, Donna, or someone from our office will be glad to help!

## What's Happening....

We recently held a peer-counselor training and had several new folks learn the basics of that position. They will now begin on-the-job training to be able to meet with our clients, especially those who are facing a very serious decision—life or death for their tiny, unborn baby.

Has God laid it on YOUR heart to get involved? We could sure use you! Contact us right away and let's discuss what is on your heart.

Our Board of Directors has approved a budget for 2017 that will include hiring two people! Praise God!

One of the positions is Client Services Director which has been filled by Juli Nelson. Juli has

been with this ministry for many years and has been doing many of the jobs for this position anyway. We are thrilled to be able to give her a little bit of money now! Not nearly what she is worth—but it is a beginning.

The second position will be that of Nurse Manager. Please see the purple box below for some of the qualifications and duties of this position.

If you know anyone who might be interested in applying, please share this information with them! We are growing and growing. We need to fill this position as soon as possible with the right person.

He or she is out there—we just need to connect.

*God is laying it on someone's heart right now to get involved in His LIFE ministry. The blessings of following His lead will be too numerous to count!*

## Volunteer Openings

We have many different areas a person could volunteer for. Or, be one of those wonderful folks who come in and say "What do you need me to do today?"

Here is a short list of open volunteer positions at this moment. If any of these look promising to you, please contact us and let's discuss it. WE NEED YOU!

- ⇒ Resource Workers (fold baby clothes, organize the Resource Area and the Baby Boutique)
- ⇒ Case Managers for a very important program we will be starting.
- ⇒ Babysitters! We offer babysitting during our Parenting Classes. We are in great need of additional babysitters for our Wed morning class (9:45am-11:30am). We typically have several children during this time. We have one wonderful babysitter but she often gets overwhelmed. One or two helpers would be GREAT!
- ⇒ Peer-counselors. We would train you for quite a bit for this position.
- ⇒ Fundraising coordinator—again we will train and help with this
- ⇒ Silent Auction helpers (to gather items for the auction and to help the night of the event)
- ⇒ Community Relations Coordinator (helping us to reach out to our community. Help us get the word out about our services)
- ⇒ The list goes on and on! If you contact Karen (contact info on page 4) she will find a place for you!

God does not call the equipped. He equips the called. Is He calling you?

Follow Him.

## Current Needs

This ministry functions 100% on donations from folks just like you—both financially and materially. We have a Resource Area with gently used clothing for children (up to size 6) and maternity clothing. This area also has gently used items such as crib sheets, diaper bags, socks, shoes, etc.

We also have a Baby Boutique area where we have items our clients can shop through and use their “points” they have earned by attending our parenting classes. We reserve this area for new items such as diapers, wipes, formula, baby food, new clothing, new shoes, personal care items (shampoo, etc)

Here is a list of some of our current needs:

- ◇ Adult shampoo & conditioner (we are ok on baby wash right now)
- ◇ **Diapers sizes 5 & 6 (we are stocked on the other sizes). Totally out of size 6, tho!**
- ◇ Pull-ups (all sizes)
- ◇ Gas cards so our clients can attend parenting classes
- ◇ Gently used medium to large baby gift bags (we re-use them for our New Mommy Bags)
- ◇ Gently used children’s shoes (all sizes)
- ◇ Body wash and bar soap
- ◇ Household cleaning products
- ◇ Breast pumps and baby monitors
- ◇ Shaving cream and razors

The list goes on and on. If you have something else in mind, just let us know!!

## Safety First New Parent Class

November, 2016, brought the incredible news that we would be granted money to conduct a Safety First New Parent Class allowing our eligible clients to attend a Saturday training in very basic child care and earn themselves either a brand new car seat or a brand new crib just by attending!

To be eligible for this incredible, free, much needed item, she needs to be at least 20 weeks along with her first child or her first child must be 6 months old or younger.

She will need to become a client of ours at least one week prior to the class she wishes to attend but all that requires is filling out our paperwork.

This is a very basic child care class, therefore, this must be her first child. We will be discussing feeding, changing, diapering, safety in the home and while away, basic infant first aid and CPR (not for certification), and many other topics.

By attending she will also earn around 250 “points” to use in our Baby Boutique on such things as new clothing, diapers, etc.

Know anyone who needs to attend? Please have that person contact us to set up an appointment to fill out our paperwork and get signed up for the class.

Our next scheduled class will be Saturday, March 25. We will be scheduling other dates soon.

Check page 4 for our contact information.

Thank you, Jefferson Memorial Community Foundation for the grant!
