## ***WALKING WET.....***

We've had a lot of rain this summer, maybe too much, but summer rain brings back memories of how as a child I would love to go out and run around and play in the rain. We'd be walking around wet, stomping in puddles. A good memory.

This coming program year we hope to be walking around wet. Our theme is "Walking Wet." And our theme verse is based on 2 Corinthians 5:7 "For we walk by faith not by sight". We will focus being claimed as God's children in our baptism and how we live our faith as God's people.

A few years ago, the Youth and Family and the Children and Family Boards adopted some concrete outcomes for their work that grow out promises that are made in baptism. We want to lift these outcomes up as something for the whole congregation to practice.

Some of these outcomes may feel like growing edges, but we are excited to think about how living into these baptismal promises will help us all grow in faith in God and in relationships with one another. Growing in faith is never a finished product so these are not goals with an end, but more faith practices to work on for a lifetime. Our Faith Formation Programming will reflect opportunities to dive deeper into these practices:

- Know and be known by 5 people of a different generation within the congregation
- Regularly participate in worship
- Read and be able to navigate through the Bible
- Take personal ownership in their faith
- Be able to pray out loud
- Take part in service to/for/with ALL people

"Walking wet" also means trusting in God's leading and guiding, so we are excited about where we feel God is guiding our Wednesday night programming for the coming year. Last year we started a Wednesday night worship service. This year, after getting a variety of feedback we will be starting what is called "Dinner Church".

Dinner church is just what it sounds like – church and dinner together. Dinner church is rooted in ancient traditions from the early church. This will take place in Bethany Hall, starting at 6pm. We will sit and eat together, read scripture and discuss what it means for us, pray and share in communion. This is a form of worship that is being tried out in many churches across the country. Dinner church is meant to be a very relaxed and welcoming worship experience, so you can come right from work, or the gym, or from just picking up the kids from daycare. Keep watch for more information about this "holy experiment" coming in September!

Looking forward to having fun walking wet together!  
Pastor Naomi

### Calvary's Family Promise

July 7<sup>th</sup> was our host week and we are so thankful for everyone who helped make the week a success. There were two families that started the week: a mother with a 14 year old son and a 3 year old daughter and a mother with a three year old daughter and a 2 year old son. On Wednesday the family with the 3 year old and 2 year old moved into an apartment to begin a new journey in their lives.

Kandiyohi County Family Promise has changed Staff during July. Heidi Kohls, the Case Manager and acting Director, who has been working with Family Promise almost from its beginning, resigned. Nate Erickson, the Development Director, resigned to take on more responsibilities with his Salvation Army position.

There are two new individuals who have joined the office: Nancy Howley was hired as the Director, working three days a week. She has a degree in Businesses Administration with an Accounting background. Her first day was July 8<sup>th</sup>, and her organizational skills and experience will strengthen Family Promise as an organization. The second individual hired is Rebecca Lundeen, who has a degree in Criminal Justice with an emphasis on victim advocacy. She also has had special training as a Trauma Informed Advocate through the Central Minnesota Sexual Assault Center. Rebecca started July 23 as the Case Manager, working directly with our Guests to help them with a new beginning in their lives. Please welcome them and thank them for helping to make Family Promise a stronger organization. They are both looking forward to meeting all of you.

Calvary will be hosting again the week of September 29, so please mark your calendars and watch for the sign up genius to help with this host week!!

## BOY SCOUTS

Scouting is Outing or so the saying goes. The scouts have been very active this summer and are looking forward to another good year once school returns. We had 26 scouts and 6 adults attend Many Point Scout Camp this July. We have 14 adults and scouts going to Philmont Scout Ranch in Cimarron, NM to back pack at the high adventure base. We also have a crew of scouts canoeing in the BWCAW later this summer. Scouting is for the whole family. This year, girls are now able to join and Calvary has a girl troop up and running. Anyone interested in joining our troop and getting information about scouts, please contact David Bobzien or Joel Halbritter and we will connect you with the correct persons for your child's age group. Cub Scouts start in elementary school and scouts at age 11 or sixth grade. Come explore all scouting can give to you.

## CREATION CARE TEAM-BUILDING AT CALVARY

We welcome all members of Calvary as part of the Creation Care Team.

As children of God who profess our faith in God as the Creator, we acknowledge the calling each of us has to be good stewards of God's Creation. A study paper published by our ELCA includes this reminder:

"In Genesis 1, we are commanded to be good stewards of all creation. This is a daunting task, but also an honor entrusted to us by God. We must accept the responsibility to live up to the challenge."\*

Here at Calvary, we are seeking to live up to that challenge. A Creation Care Coordinating Team has been formed and has been authorized by the Church Council to help us address the environmental challenges that our world is facing today. Jack Behr and retired pastor Ron Hanson are

serving as

co-chairs of the Coordinating Team. They want first to thank and acknowledge the efforts that many Calvary members are making in their personal lives to reduce their carbon footprints and to work for protecting the air, soil, and water from pollution and degradation. One Calvary member announced recently that he had gotten rid of his old, gas powered lawnmower which had been coughing dirty exhaust into the air of his neighborhood for years. And with a smile of satisfaction, he said, "I'm now using an electric mower!"

In our life together at Calvary, we will be approaching our Creation Care work in 5 sub-team areas: 1) In our worship life. 2) In our educational programs for all age groups. 3) In our care and management of our building and properties. 4) In assisting all members to practice environmental stewardship in their personal and work lives, and 5) to partner with other local churches, civic groups, etc. to strengthen our community wide response to the very real threats of climate change.

The Calvary Care of Creation Coordinating Team will be working cooperatively with the various staff and boards who lead in each of the above areas to jointly plan practical ways to address environmental challenges. Anyone who is interested in joining one of the 5 sub-team areas, or who would like to share your ideas or concerns is invited to contact Jack Behr (320-894-2860) or Ron Hanson (320-444-1706).

[\*To expand your awareness, we invite you to find this and other ELCA Caring for Creation resources at the ELCA website, at both [ELCA.org/resources/advocacy](http://ELCA.org/resources/advocacy) and at [ELCA.org/resources/Caring-for-Creation](http://ELCA.org/resources/Caring-for-Creation) ]

### ***Remarks from the President...***

On behalf of Calvary's Stewardship Board (including Mike Haugsby, Charles Ulrich & myself), "Thank You" for your continued support of our church's ministry and programming. It is amazing to see the magnitude of daily support Calvary receives from its members.

August means our fall programming is just around the corner, and we encourage you to be mindful of the many opportunities for stewardship that will be available for our members in the coming months.

**Calvary needs your financial support**, in order to support our budget, and the many exciting programs and ministries that we provide.

**Calvary needs your unique talents & gifts**, that enhance our activities and programs, and enrich the lives of those we serve.

**Calvary needs your time**, since your volunteer efforts help us leverage our pastoral and lay staff, and multiply the important work we do at our church.

We hope you will be open and receptive to offering your financial support, talents, and volunteer time, as you are approached with opportunities for stewardship at Calvary this fall.

**Brett Aamot**

## We are collecting school supplies for Lutheran World Relief

Our Doing Days ladies will be making drawstring backpacks which we will fill with supplies to make "School Kits" for Lutheran World Relief (LWR). We will assemble the kits as a part of our "God's Work, Our Hands" Sunday, among other projects, on September 8<sup>th</sup>. This is in addition to the "Stuff the Bus" school supply collection sponsored by United Way. The items we need for the LWR School Kits are:

- 70-sheet notebooks of wide or college-ruled paper, approximately 8 x 10 ½ inches; no loose leaf paper. [each kit will contain 4]
- 30-centimeter ruler, or a ruler with centimeters on one side and inches on the other
- Pencil sharpener
- Pair of blunt scissors (safety scissors with embedded steel blades work well)
- Unsharpened #2 pencils with erasers [each kit will contain 5]
- Black or blue ballpoint pens (no gel ink) [each kit will contain 5]
- Box of 16 or 24 crayons
- 2 ½ inch eraser

We will have a box in the East Narthex marked LWR School Kits for you to drop off your supplies.

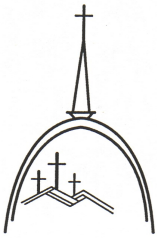

**God's work.  
Our hands.**

## Rally Day! - God's Work Our Hands! Sunday September 8, 2019

As our Rally Day, Calvary will participate in "God's Work, Our Hands". It is a celebration of faith in action that is held across the ELCA. We will begin with an abbreviated worship service at 8:00AM and then scatter to various service projects within our community and here at church. Sunday school families are invited to arrive at 8:45am to start our service work. There will be something for everyone, for people of all ages and abilities. We will gather together in Bethany Hall at 10:30am for reflection on our activities, a concluding worship service and lunch. Watch the September Newsletter and our weekly bulletin announcements for further development and details as we get closer to this exciting event.

Calvary council has approved the purchase of a new grand piano for the sanctuary. We have already received many generous gifts that cover over half of the expense, but we would like to give everyone the opportunity to contribute. We hope to have the new instrument by the end of September. The current grand piano will continue to serve the congregation in Bethany Hall. Your gifts will enhance our worship, as well as provide new music opportunities for our congregation and community. Thank you!

### **WELCOME VICAR DAVID SEVERTSON!**

We thank our Music Director David Severtson who finished his work with Calvary Lutheran on August 11th. And now we welcome Vicar David Severtson who will be joining our staff as an intern pastor beginning August 27th. We will refer him as Vicar David, he will occupy a different office space and he will serve in a variety of new roles. He will preach, teach, offer pastoral care as part of his further development toward becoming a Christian public leader in Word and Sacrament Ministry, a pastor.

Calvary Lutheran will also be taking on a new role as a part of Vicar David's internship. We will be a teaching congregation. We will be a safe, nurturing, place for Vicar David to explore and experiment, a place to have trial and errors. We will be serving this role on behalf of the larger church, the church of Christ, to which Vicar David is being called. We will be having a service of gratitude for Music Director David on August 11th and a service of beginning for Vicar David on September 1st.

Please welcome Vicar David!
