World Day Of Prayer For The Care Of Creation

God of the universe, we thank you for your many good gifts – For the beauty of Creation and its rich and varied fruits, for clean water and fresh air, for food and shelter, animals and plants. Forgive us for the times we have taken the earth's resources for granted and wasted what you have given us. Transform our hearts and minds, so that we would learn to treat the earth with gentleness and love, respecting all living things. Help us to respect the rights of all people and all species, and help us to generously share your gifts today and always. Amen.
