OCT – MAR F.I.T. Events

The Friday Improvement Tournaments (FIT) are various events we run during the year. These events are unique because they are specifically designed to help students improve. How? We instruct all players to notate their games (that means write down all the moves to the game) and submit their games to us. We then professionally go over each game and e-mail the results to each participant. The FIT dates are Oct 5th, Nov 9th, Dec 14th, Jan 18th, Feb 1st, Feb 15th, Mar 1st, and Mar 15th.

JAN 12, 2019 Lexington Winter Scholastic

The longest running scholastic tournament in Kentucky, the Lexington Winter Scholastic has an amazing history. At its peak, US Chess called the event creator and organizer Larry Bell and asked him if he would reschedule. Why? Because he had 500+ sign ups that were having a negative impact on a national tournament! We perpetuate this event as well to ensure there is a chess tournament presence in Lexington.

JAN 21, 2019 MLK Day Tournament

This event began over 15 years ago to celebrate diversity within the chess community. Soccer and chess are the two most diverse games in the world because they are actively played in every country. The MLK tournament is one of our most popular tournaments as it occurs on a Monday.

FEB 23, 2019 Quads B and C

Quad B (Louisville) and Quad C (Lexington) are two of four events that determine invitations to the State Team Championship! The top 4 teams from K1, K3, K5, K8, and K12 are invited to compete the following month. Teams that finish 5th – 10th often have a chance to get invited to state team when qualifying teams fail to accept their invite by the deadline or if those teams decline their invite.

MAR 9 – 10, 2019 State Individual Championship

The unique quality about this championship event is it determines state champions in the K1, K3, K5, K8, and K12 categories. This event is also a 2-day event, mimicking the style of most Open (or adult) tournaments. The winner of the K12 section receives a \$750 stipend to represent Kentucky in the Denker High School Tournament of Champions.

MAR 23, 2019 State Team Championship

The State Team Championship is the pinnacle scholastic chess events in Kentucky. It features 300 – 500 participants playing across 5 sections vying to become the next state team champions. In addition to being an amazing spectacle, State Team also concludes the scholastic chess season.
