Day of Recital:

Please check your dancer in at the "Dancer Check- In Station" located in the lobby. After checking in, your dancer will proceed to their assigned dressing room. In the dressing room they will find their classmates and the designated group mom. Dancers will remain backstage for the entire show. Unless you are a volunteer you will NOT be allowed backstage. This is for your child's safety so we are aware of where and who is backstage at all times. If there is a problem we will make an announcement. Once the show has completed we will guide your dancer back to their dressing room where you will be able to pick them up. We ask that only ONE parent drop and pick up the dancer so our backstage area does not get overcrowded with family and friends.
