

**Macon Mayhem Daniel Gentzler 2017-18 game worn gloves, size 14”.**

2017-18 would be Daniel Gentzler's last with the Mayhem. Promoted to captain in 2017-18, Gentzler was named to the 2018 All-SPHL second team on defense. It was the first time Gentzler has been named to an all-league team in his professional career. He finished the season with 12 goals and 32 assists for 44 points and a plus-14 rating in 48 games for the Mayhem, setting a new career high in assists and points in his professional career. He also appeared in 6 ECHL games. After retiring from professional hockey, Gentzler was named an assistant coach for the Tufts University hockey team. These Warrior Covert QRL3 gloves contour to the natural shape of your hand and wrist to maximize mobility and protection. The Phantom foam pods are extremely lightweight, flexible and comfortable on your hand, making the Covert QRL glove unlike any hockey glove experience out there. The Warrior FnC liner is constructed of Polygiene to keep the hands cool, dry and reduce odor. The Axyflex cuffs allow wrist mobility when stick handling and shooting while also offering full slash protection. I acquired these gloves directly from the team.
