

**Augusta Lynx Ken Scuderi 2007-08 game worn jersey, size 56.**

This set 1 black Reebok jersey was worn during the first half of the season by Ken Scuderi. The younger brother of two time Stanley Cup winner Rob Scuderi, Ken played for three seasons with the Lynx. This jersey has some special significance as both the Scuderi brothers attended St. Anthony's High School on Long Island, where they played on the school hockey team. I had the distinction of playing on the first hockey team at St. Anthony's in the early 1970's. The front of this black lace-up jersey has the large lynx head four color logo, a Reebok logo, an embroidered sponsor patch from G&K Services and Scuderi's alternate captain's A. In addition to the twin lynx logos with the paw and puck, the shoulders also have an embroidered ECHL 20<sup>th</sup> anniversary patch. On the back is the Reebok logo just below the neck, and the two color numbers and the nameplate are sewn twill. On the back hem are embroidered Meigray and ECHL logo patches, and a huge embroidered Humana sponsor patch. It was purchased directly from Meigray.
