

**Augusta Lynx Martin Lapointe 2003-04 authentic jersey, size 58.**

Martin Lapointe played five seasons for the Augusta Lynx. The 2003-04 season represented his highest point total, with nine goals and thirty assists for 39 points. Lapointe holds the all-time record for games played for the Lynx franchise. While with the Lynx, Lapointe also served as a volunteer and full-time firefighter with the Martinez Fire Department. This black road jersey by OT Sports has an embroidered five color lynx head is on the front, along with a pair of lynx alternate logo patches on each shoulder. On the back, the cloth nameplate has sewn white letters, and the number consists of two color sewn twill. The lower back hem has sewn on embroidered Meigray, ECHL and OT Sports patches. The sleeve numbers are sewn black twill. The only thing missing from this jersey is the CINTAS sponsor patch on the front. This blank authentic jersey was purchased on eBay and customized by me based on photos of similar game worn jerseys from the same season.
