

Augusta Riverhawks Jon Olthuis J.D. Paugh Memorial Night authentic jersey, size 58G.

After playing three years in junior hockey and four years of college hockey, Olthuis turned pro with the Riverhawks in their inaugural season, playing 30 games. He returned to Augusta for season two, playing in 24 games with a 2.83 goals against average. Jon played goal on J.D. Paugh night and the jersey he wore unfortunately had his name misspelled as OLTHIUS, so when I customized this jersey I made sure it was spelled correctly. This allows it to be readily distinguished from the game worn jersey from that night.
