

Columbus Cottonmouths 1990's Russell Athletic team windbreaker, size large.

This beautiful royal blue nylon pull-over windbreaker sports an embroidered team logo on the left chest. The inside is lined with white nylon netting and there are two front slash pockets. The left sleeve has the familiar Russell logo sewn on. The sides and sleeves are trimmed in red and white, with the left jacket seam having a nylon zipper which allows the jacket to fit more loosely at the waist. The zipper pull consists of a piece of square metal with a raised Russell logo. The neckline, cuffs and bottom is finished with three color elastic material. This jacket is styled very similar to the uniforms worn during the early years of the franchise and is believed to be team issued. It was purchased on eBay.
