

**Macon Mayhem Dennis Sicard 2016-17 game worn gloves, size 14”.**

2016-17 marked Dennis Sicard's tenth season playing in the Southern Professional Hockey League. He has also had brief stints in the CHL, IHL and FHL with three teams. Sicard, the SPHL's all-time leader in penalty minutes, was described by Mayhem Head Coach Kevin Kerr as "A hard-nosed player who brings intensity every shift, which is the type of culture we are building for our team. He is the type of player that our fans will love to watch and the city of Macon will fall in love with." In 51 regular season games, Sicard netted 14 goals with 18 assists. As the team's enforcer, he led the team in penalty minutes with 202 and finished the season with a +14 rating. In seven playoff games, he scored three times, including the team's first goal in the final game when the Mayhem won the President's Cup. These 14" Bauer Nexus 800 hockey gloves are in the team colors of red, navy and white. Sicard's number 18 is written with black Sharpie on the palms. There is good game wear that includes fraying of fabric, holes in the palms and stick marks. I acquired these gloves directly from the team.
