

Columbus Cottonmouths Dan Bremner 2013-14 game worn pants, size L.

Ontario native Dan Bremner played two seasons for the Knoxville Ice Bears before joining the Cottonmouths for 2013-14. In 54 games, he had 8 goals with 18 assists for 21 points. Bremner then played the next three seasons with the Peoria Rivermen, being named team captain for 2015-16. During a injury plagued 2016-17, Bremner served as an assistant coach. Bremner retired after the 2016-17 season and was named an assistant coach for Ohio University. These royal blue Easton Mako pants show great wear and some quirks related to the lacing. The game wear resulted in a photo match to pictures taken of Bremner during the season. I obtained these pants from another collector.
