

Augusta Lynx 2002-03 authentic alternate jersey, size 58.

Brad Ralph split the 2002-03 season with Augusta and the AHL Springfield Falcons. After retirement as a player in 2009, the Richmond, Ontario native returned to Augusta in 2010 to coach the SPHL Augusta Riverhawks during their first two seasons. This alternate jersey by OT Sports is teal in color and has substituted the traditional lynx head front patch with the alternate paw and puck logo. Ralph's team captain's C consists of three color sewn twill. On the back, the cloth nameplate has sewn white twill letters in an arched pattern, and the number consists of three color sewn twill. The embroidered lynx head patches are located on the shoulders. The lower back hem has sewn on embroidered ECHL and OT Sports patches on the right and the Meigray patch on the left. The sleeve numbers are sewn three color twill and this authentic jersey has the usual fight strap. If this were a game worn jersey, it would also have the CINTAS sponsor patch on the upper right front. This blank jersey was purchased on eBay and I added the lettering and numbers according to team specifications.
