Who actually wants to embrace a life of poverty, mourning, and hunger? Who actually believes that poverty is the way to blessing and happiness? Jesus does, because that's the way he lived, and it's the way he wants all of us to live as well. Deep down, we all know that money doesn't make people happy. There are plenty of miserable millionaires. Rich or poor, it's good relationships that make people happy. And what could be a more important relationship than our relationship with God? With his heart lifted up to God's presence and his mind filled with truth by the Holy Spirit, Jesus was able to look at life clearly and joyfully. Jesus gave us the beatitudes to teach us the secret of happiness. It's important to know that Jesus isn't against money itself. He only wants us to set goals that go far beyond the accumulation of wealth. As we learn how to keep our minds fixed on the promises of God, we too will discover the secret to Jesus' peace and happiness. By following in Jesus's footsteps, we can know the same happiness he knew.
