*They left...rejoicing that they had been found worthy to suffer dishonor. (Acts 5:41) That's rather odd! Wouldn't you expect the apostles to be grateful that they left that trial alive? Or relieved that they didn't get punished any more severely? They may have thought these things, of course, but it seems that they were most happy to have been found "worthy" to be arrested, threatened, and flogged by their own people. What gave the apostles a perspective like this? Jesus' resurrection changed everything! The apostles had seen him endure an agonizing death and still come out the other side filled with the glory of God. With their very eyes, they saw definitive proof that death had been overcome. Death, and everything death represents, has lost its power over us. They also tell us that fear has lost its power over us. They also tell us that fear has lost its power, for all fears draw their strength from the fear of death. Jesus, our risen Lord, has overcome everything, and he now invites you to share in that victory. Death is not the end of your story. It's really just the beginning.*

**Questions of the Week**  
**Third Sunday of Easter**  
**Youth:** Jesus asks Peter three times if Peter loves Jesus. What one thing can you do this week to show Jesus your love?  
**Adults:** Christ continues to feed us as his disciples, even after his death and resurrection. How does the Eucharist feed your faith?

This weekend is the in-pew effort for the 2018/2019 DAA. Love is always a gift from God. This is the last chance to support our Diocese and our Parish during this appeal. We ask that you prayerfully consider donating to the appeal. Visit <https://scdiocese.org/daa> for more information about your gift at work or simply use the envelope in your pew and return to in the collection basket or church office.

**DID JESUS REALLY RISE FROM THE DEAD?**

If Christ has not been raised, said the Apostle Paul, then Christian Faith is in vain. The Resurrection of Jesus of Nazareth is not an incidental or minor aspect of Christianity. If Jesus did not rise from the dead, Christianity is certainly false. Skeptics have long tried to show that there was no Resurrection. Today, there has been a resurgence of attacks on this central truth of Christianity. Rather than accept Christian belief blindly, top scholars, and biblical historians critically examine alternative explanations. In the end, they show why it is a matter of sound reason as well as faith to affirm what the early Church proclaimed: Jesus is risen. A fascinating, fast-paced, exciting exploration of Jesus’s fate shows how Jesus’s Resurrection has consequences for every one of us.
