As the day was drawing to a close... (Luke 9:12) Why did Jesus keep the people so late? Was he unaware of the passing of time? Or was he so caught up with healing them that he forgot that they would need to eat? Neither scenario is very likely. Jesus was always aware of his surroundings, and he never did something without first thinking it through. Jesus knew what he was doing and why he was doing it. He knew he would need to feed this crowd of people miraculously. It was his way of giving them another sign of his love for them. He didn't want to just heal them and send them on their way. He wanted to spend more time with them. This is part of the wonder of the Body and Blood of Christ. Jesus wants to spend time with us. He wants to spend time with you. He loves you for who you are. He just enjoys your company, and he wants to share his love with you. No wonder Jesus promised to be with us in a special way at Mass! Every time we receive him in Communion, he comes into our lives—all of him. He comes to tell us that he loves us and that he values us. Certainly he comes as Savior to heal and to bless us, but he also comes as Friend just to be with us. Jesus is waiting for you at Mass today. He's waiting for you every day in the Tabernacle of his presence. Go spend time with him. Let his friendship and love warm your heart.
