Teach us to pray. (Luke 11:1) We human beings are big on "how to," aren't we? Search on the internet and you will soon learn how to tie, boil an egg, or even train your dragon. The disciples were no different. They had seen Jesus pray. They had heard him praise Mary for sitting quietly at his feet and listening to his teaching. And they wanted to know how to do that too. So Jesus gave them what we call the "Our Father." This prayer reveals much about who Jesus is because it gives us a glimpse into his own prayer life. It also shows who we are and God's vision of how we should live. And it explains how

Jesus wants us to relate to his Father— with the same mind and heart that he had as he walked the earth. Jesus doesn't tell you to say, "Holy Father." Just "Father." He makes it clear that your Father is not far away. He is close to you, eager to breathe life into you. He hears your voice. He listens when you call and promises to answer. He gives you daily bread generously— all that you need for life and holiness. He sees your worst sins, and still he wants to hold you close. He offers forgiveness. He gives you all the tools and grace you need to become as merciful as he is. And he protects you from the evil one so that you can spread that mercy far and wide. Jesus gave the disciples so much more than a list of tips for effective prayer. He assured them that they could approach God confidently, knowing he will always listen, always forgive, always provide and protect. And he, who is holy, will do no less for you.

A church had a picnic and invited the entire community to come. The Priest placed a basket full of apples on one end of a table with a sign saying, "Take only one apple please - Remember that God is watching." On the other end of the table was a plate of cookies where one of the children had placed a sign saying, "Take all the cookies you want -- God is watching the apples."
