Ecclesiastes is one of the most puzzling books in the Bible. From the very beginning, the author, Qoheleth, uncovers something we don't like to think about: the seeming futility of life. Material pleasures don't satisfy. Justice is rare. Death makes our accomplishments seem pointless. But far from sounding

like a disgruntled old man, Qoheleth is a brave teller of uncomfortable truths. He is aware that people may not like what he has to say, but he doesn't want anyone to ignore reality. His book describes a world that is closed off to God. He is showing us what life would look like without a Father in heaven who promises to hold us in the palm of his hand. Keep the memory of God alive so that you will be able to weather the bad times—because they will surely come. Jesus' resurrection has changed everything! He has opened the gates of heaven, and we can now experience God, not just in our memory, but alive and active in our hearts. Brothers and sisters, life is not futile. It may be wild and dangerous at times, but Jesus has conquered death and dispelled gloom. His promises are not vain, and his power is real. Reach out to him today, and let him show you that all is not vanity any longer.

Parish News & Events

Please visit the kitchen in your parish hall to pick up your dishes from funerals.

Check out our website at www.calhouncatholic.org to register for religious education, view the ministry schedule, or see worklist for upcoming St. Mary Chicken BBQ.

Please direct your attention to the upcoming special collection envelope to support our Retirement Fund for the Religious.

The Purpose of this weekends Mission Appeal is to support the Pope Francis Rescue Home located in Malindi town, Kenya. This orphanage is the only safe place in the entire region that provides a safe haven for children who have been abused and had to run away from their homes. At the rescue home, the children are provided with the basic necessities. Pope Francis Rescue Home provides hope and a new chance for these children in the midst of their challenging situations. I ask you to be generous in supporting us in this project so that together, we can make positive difference in the lives of these children. Thanks for your faith & affording us this opportunity to share the hope from the missions.

Dr. Ray Guarendi shares his story of how logic led him home to the Catholic Church. He found out that, contrary to his Protestant misunderstandings, the Church is coherent and never contradicts herself. Dr. Ray explains how the answers to his objections to Catholicism were both Biblical and believed by the earliest Christians. Explore the logic that led him to the fullness of truth.
