

# USING MICRO(SOUL) SOFTWARE

*This series of lessons are designed to help us effectively download spiritual software for our soul's internal drive and to help us become more productive in our daily operations. By the end of each lesson, we will be able to scripturally understand the purpose of each software and how to apply it in our lives. Tonight, we will be opening up the **MICRO(SOUL) SOFTWARE** of*

## “ACCESS”

### **John 10:9 (KJV)**

**“I am the door (Gr. Thura – the portal; the access way): *by me if any man enter in, he shall be saved, and shall go in and out, and find* pasture (Gr. Nome – feeding; resting place).”**

#### ACCESS

- *The permission or ability to enter, approach, or pass to and from a particular place*

**Microsoft Access** is one of the least used by the common person, but is mostly used by corporate people. **MS Access** is an information management tool that helps you store information for reference, reporting, and analysis. **MS Access** helps you analyze large amounts of information and manage related data more efficiently. It's the same in the spiritual sense. This Micro(soul) Software gives us **ACCESS** through the reference of the information (*The Word of God*) that has been recorded, retrieved and received.

- **Romans 10:13-17 (NIV)**
- **Romans 5:1-5 (NIV)**

**MS Access** is known to help develop and build various visual objects known as **(VBA) Visual Basic Applications**. In other words, **ACCESS** produces VISUALLY the BASIC APPLICATIONS of the bible. It's through the Word of God that we gain **ACCESS** so that we are able to see VISUALLY who God is and what God has for us.

- **Ephesians 2:17-22 (NIV)**
- **1 Peter 2:4-6, 9, 10 (NIV)**

In the natural, in order to gain **ACCESS** to anything, you'll need keys. These keys are used to control the input and output of the application. It's the same spiritually. In order for us to gain **ACCESS** to the things of God, we will need to tap into the right set of keys.

- **Matthew 6:33 (KJV)**
- **Matthew 16:19 (NIV)**

When God gives you **ACCESS**, you will EXPERIENCE things others only EXPECT to experience.

- **John 4:37, 38 (NIV)**
- **2 Corinthians 9:10-15 (NIV)**

In the natural, those who aren't confident in **MS ACCESS** will not be effective in the use of it. However, spiritually, we must be **BOLD** in our application so that we can be **BOUNTIFUL** in our operation.

- **Ephesians 3:9-12 (KJV)**
- **Hebrews 4:15, 16 (KJV)**

Remember this: **MS ACCESS** is only compatible with **MS WORD** and **MS EXCEL**. Catch it in the spirit. You won't gain **ACCESS** spiritually unless you make sure it's compatible with the **WORD** and your **EXCEL**.

- **Mark 4:3-9 \*message\* / Mark 4:14-23 \*meaning\* (NIV)**
