

The Truth Regarding Creation

The Bible is the only source of absolute truth regarding God and His relationship to man. I accept the Bible as inerrant. However, as someone with significant education in biological science, I have interpreted the Genesis story of creation in such a way to accommodate what is known through science. There is sufficient scientific evidence to support some form of evolution as the way all life upon earth, including man, came into being. As a Christian, I firmly believe that this process was controlled by God, the Creator of all things.

There is a method by which both the inerrancy of the Bible, and what is known through science regarding creation, can both be proven. The way in which to demonstrate this proof is through gematria. Gematria involves the use of the numerical value of words in the attempt to find hidden truth in Scripture. This is made possible by the fact that both Hebrew, the language of the Old Testament, and Greek, the language of the New Testament, use characters of the respective alphabets for numbers. Therefore, every word has a numerical value as well as a specific meaning.

It has been postulated that words and phrases of the same numerical value are indicative of an association. Experts in gematria insist that the exact words from Scripture must be used for numerical associations to have any validity. I am not an expert, and have only a basic understanding of gematria. I am also illiterate in Hebrew and Greek. However, I was inspired in a supernatural way to use only Hebrew root word spellings for each word in a sentence instead of the proper spelling according to rules of grammar, and to use the numerical value of sentences composed in such manner in order to find associations with Greek words from the Bible which have the same numerical value. By using this unusual method of gematria I first uncovered numerical associations which confirm what is written in Scripture regarding Jesus Christ. Later, as I felt inspired to use the same method to evaluate passages of Scripture related to creation, I discovered the relationships to be demonstrated.

It may be difficult for the reader to believe, but the majority of the gematria findings related to creation which will be shown, came to me in just a matter of days. I did not attempt to arrive at specific numerical values, and in almost every instance I did not know what words would have the calculated value of the sentence. For each sentence the root words as indicated in *Strong's Concordance* will be identified by their *Strong's* number, and the gematria value of every word and the total for the sentence will be shown. (Note that Hebrew is written from right to left.) The individual words having the same value as that for the sentence which are often alternate spellings of the same word will then be revealed.

Is there an Almighty God who created all things? There is some debate among physicists concerning the origin of all matter. There is general consensus that the universe came into existence at the instant of the "Big Bang," the sudden explosion of all matter from an infinitely small and infinitely dense point. Some believe that there is a cycle of expansion and contraction of matter to account for the "creation" of the universe. It was proposed on a television science program titled "What is Reality?" that the physical reality of all matter in the universe can be completely explained by numbers as a result of the mathematical equations which account for the laws of physics. Subsequently I learned that the concept of the essence of reality being mathematical is not a new idea. In fact, Pythagoras (570-495 BC), the Greek philosopher, first

proposed the theory that reality is based upon mathematics (*Pythagoras & Pythagoreanism*, [Online], www.mycrandall.ca/courses/grphil/Pythagoras.htm). It then occurred to me that this is consistent with what I have come to believe: numbers are the language of God. Therefore, when God spoke heaven and earth into existence, as Scripture tells us, it was through God's language of numbers that the laws of physics which govern the existence of matter originated, and the universe was created. The numbers spoken by God established the mathematical laws of physics which control the formation and interaction of all sub-atomic, and atomic elements, and thus, everything which exists in the universe. In turn, all chemical reactions required to create complex molecules, which ultimately affect the physiologic mechanisms responsible for all life, are controlled by the laws of physics.

If numbers are the language of God, then this would explain why there is such remarkable numerical symmetry in the universe and in Scripture. In keeping with that line of thought, the following gematria confirmations of truth regarding creation came to me almost immediately.

God the Creator spoke the world into existence.

The LORD (Jehovah) (H3068) God (H430) spoke (H559) and the whole (H3605) world (H8398) was created. (H1254)

יהוה אלהים אמר כל תבל ברא

203 + 432 + 50 + 241 + 86 + 26 = **1038**

CREATOR (G2939) (root word spelling) = κτιστής = 1038

The LORD (Jehovah) (H3068) spoke (H559) and heaven (H8064) and earth (H776) were created. (H1254)

יהוה אמר שמים ארץ ברא

203 + 291 + 390 + 241 + 26 = **1151**

SPEAK (G2980) = λαλουντος = 1151

CREATE/CREATOR (G2936) = κτισαντος = 1151

In the following gematria example, the exact root words from Scripture are used.

And God said, Let there be light: and there was light. Genesis 1: 3

And God (H430) said, (H559) Let there be (H1961) light: (H216) and there was (H1961) light. (H216)

אלהים אמר יהיה אור יהיה אור

207 + 20 + 207 + 20 + 241 + 86 = **781**

LIGHT (G5338) (root word spelling) = φεγγος = 781

To Christian believers there was nothing which existed before God created everything. The method of gematria which I have used confirms that God created the universe from nothing.

The Father (H1) created (H1254) heaven (H8064) and earth (H776) from (H4480) nothing. (H369)

אב ברא שמים ארץ מן אין

$$61 + 90 + 291 + 390 + 203 + 3 = 1038$$

CREATOR (G2939) = ΚΤΙΣΤΗΣ = 1038

As a Christian believer, I have no doubt that in whatever way life came about, and man came into being, God is the Creator of all things, and gematria gives confirmation of that truth.

God (H430) **created** (H1254) **heaven** (H8064) **and earth** (H776) **and all** (H3605) **life**. (H2416)

אלהים ברא שמים ארץ כל הי

$$18 + 50 + 390 + 291 + 203 + 86 = 1038$$

CREATOR (G2939) = ΚΤΙΣΤΗΣ = 1038

Surely (H389) **God** (H430) **created** (H1254) **all** (H3605) **living** (H2416) **creatures** (H5315) **of earth**. (H776)

אך אלהים ברא כל הי נפש ארץ

$$291 + 430 + 18 + 50 + 203 + 86 + 21 = 1099$$

CREATE/CREATOR (G2936) = ΚΤΙΣΘΕΝΤΕΣ = 1099

Through the process set in motion by our Creator, life came into existence; it did not occur merely by chance. The physical universe and all life were created by God. The Bible says that man and the beasts of earth were created from dust of the ground. From a scientific point of view, all matter in the universe originated from coalition of "space dust" following the "Big Bang." Therefore all living things were created from what might be considered the "dust of the ground": *And the LORD God formed man of dust from the ground...* Genesis 2: 7. The physical nature of mankind, aside from his spiritual nature, is no different from that of other living creatures, and the Bible says that God intended for us to know this truth: *I said in mine heart concerning the estate of the sons of men, that God might manifest them, and that they might see that they themselves are beasts. For that which befalleth the sons of men befalleth beasts; even one thing befalleth them: as one dieth, so dieth the other; yea they all have one breath; so that a man hath no preeminence above the beast: for all is vanity. All go unto one place; all are of the dust, and all turn to dust again.* Ecclesiastes 3: 18-20. Gematria proves the truth that all living creatures including man were created by God from dust. (Two Hebrew root words can be used for "ground." Although the root word used in the following two sentences is usually used for "earth," it is also frequently used for "ground.")

God (H430) **created** (H1254) **living creatures** (H2416) **of dust** (H6083) **from** (H4480) **the ground**. (H776)

אלהים ברא הי עפר מן ארץ

$$291 + 90 + 350 + 18 + 203 + 86 = 1038$$

CREATOR (G2939) = ΚΤΙΣΤΗΣ = 1038

All (H3605) **living creatures** (H2416) **were formed** (H3335) **of dust** (H6083) **from** (H4480) **the ground**. (H776)

כל הי יצר עפר מן ארץ

$$291 + 90 + 350 + 300 + 18 + 50 = 1099$$

CREATE/CREATOR (G2936) = κτισθεντες = **1099**

The Hebrew root word for “life” is often used for “living creatures” as in the previous two gematria examples. At times, the root word which is used for “souls” is written along with the root word for “life” to mean “living creatures.” When this is done the truth of Scripture is again confirmed.

God (H430) **created** (H1254) **all** (H3605) **living** (H2416) **creatures** (H5315) **of dust.** (H6083)

אלהים ברא כל חי נפש עפר

350 + 430 + 18 + 50 + 203 + 86 = **1137**

CREATE/CREATOR (G2936) (root word spelling) = κτιζω = **1137**

The Father (H1) **formed** (H3335) **all** (H3605) **living** (H2416) **creatures** (H5315) **of dust.** (H6083)

אב יצר כל חי נפש עפר

350 + 430 + 18 + 50 + 300 + 3 = **1151**

CREATE/CREATOR (G2936) = κτισσαςτος = **1151**

Four different spellings, each with a different gematria value, for the Greek word that means "create or creator," have given confirmation of what the Bible says about the creation of men and beasts from dust. God formed living creatures of dust from the ground giving life to inanimate dust.

God (H430) **the Father** (H1) **created** (H1254) **the living** (H2416) **creatures** (H5315) **of earth.** (H776)

אלהים אב ברא חי נפש ארץ

291 + 430 + 18 + 203 + 3 + 86 = **1031**

EARTHEN/OF EARTH (G3749) = οστρακινους = **1031**

God (H1) **formed** (H3335) **creatures** (H5315) **from** (H4480) **dust.** (H6083)

אלהים יצר נפש מן עפר

350 + 90 + 430 + 300 + 86 = **1256**

QUICKEN/GIVE LIFE/MAKE ALIVE (G2227) = ζωοποιησαι = **1256**

God created all living creatures, and he created man in his own image: *So God created man in his own image, in the image of God created he him; male and female created he them.* Genesis 1: 27. When root words as found in the Bible for this verse are used there is proof of God as the Creator of man.

God (H430) **created** (H1254) (H853) **man** (H120) **in his own image.** (H6754)

אלהים ברא את אדם צלם

160 + 45 + 401 + 203 + 86 = **895**

CREATE/CREATOR (G2936) = κτισθεντα = **895**

If the non-translatable Hebrew word with a gematria value of 401 that is used in this verse is deleted, we have the following confirmation of Biblical truth: God created man in his own image.

God (H430) created (H1254) man (H120) in his own image. (H6754)

אלהים ברא אדם צלם

$$160 + 45 + 203 + 86 = 494$$

HIS OWN (G2398) = ἰδίου = 494

Of all living creatures, only man was created in the image of God.

The LORD (H3068) God (H430) created (H1254) only (H3173) man (H120) in his own image. (H6754)

יהוה אלהים ברא יחיד אדם צלם

$$160 + 45 + 32 + 203 + 86 + 26 = 552$$

CREATE/CREATOR (G2936) = ἐκτισθη = 552

The reality of the material world can be understood in relation to numbers which God spoke to create the universe through the mathematical equations of physics. Numbers which are associated with the specific meaning of words in the languages of the Bible can lead to an understanding of the spiritual world and the truth that is found in Scripture. One such truth is that the Lord God is the Creator. Throughout the Bible, the God who made himself known to the Hebrew people, the one true God, is proclaimed as "the God of Abraham, the God of Isaac, and the God of Jacob": *Moreover he said, I am the God of thy father, the God of Abraham, the God of Isaac, and the God of Jacob. And Moses hid his face; for he was afraid to look upon God.* Exodus 3: 6. *And God said moreover unto Moses, Thus shalt thou say unto the children of Israel, The LORD God of your fathers, the God of Abraham, the God of Isaac, and the God of Jacob, hath sent me unto you: this is my name for ever, and this is my memorial unto all generations.* Exodus 3: 15. The God of Abraham, Isaac, and Jacob, is the one true God, and our Creator, as proven by the gematria value which proclaims this truth.

The God (H430) of Abraham, (H85) the God (H430) of Isaac, (H3327) and the God (H430) of Jacob, (H3290) is the Creator. (H1254)

אלהים אברהם אלהים יצחק אלהים יעקב ברא

$$203 + 182 + 86 + 208 + 86 + 248 + 86 = 1099$$

CREATE/CREATOR (G2936) = κτισθεντες = 1099

God is called the Creator and it is written in the New Testament that the Word of God created everything: *In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not anything made that was made. In him was life; and the life was the light of men. And the light shineth in the darkness...That was the true light which lighteth every man that cometh into the world. And the Word was made flesh and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.* John 1: 1-5, 9, 14. Jesus

Christ is the Word of God. The Word of God was not only present in the beginning, and was not merely with God, the Word was God, and the Word created everything.

In the beginning (H7225) was (H1961) the Word. (H1697)

ראשית היה דבר

$$206 + 20 + 911 = 1137$$

CREATE/CREATOR (G2936) (root word spelling) = κτιζω = 1137

$$50 + 203 + 86 + 206 = 545$$

CREATION/CREATURE/THE ACT OF CREATING (G2937) = κτισει = 545

An all powerful God, the Word of God, created life on earth of "dust" from the ground. A variety of statements related to the creation of living creatures from dust are proven true by gematria values which equal that for alternative spellings of the words that mean, "beast, a living being, an animal," or "creature, creation, anything created."

Surely (H389) God (H430) created (H1254) all (H3605) living (H2416) creatures. (H5315)

There can be no doubt that God is the Creator of all living creatures, but the abundant variation of species found in nature does not require a method of creation that cannot be explained from a scientific standpoint, and still maintain the inerrancy of the Bible. The pure language of God, the language of numbers, reveals that God used the laws of nature to create all life on earth and in the sea.

The Lord (H3068) **God** (H430) **created** (H1254) **the earth** (H776) **and all** (H3605) **life** (H2416) **upon** (H5921) **the earth** (H776) **and in the sea.** (H3220)

Life upon earth did not simply arise by chance; it was created by the Almighty God. But does creation of each individual species of life from dust require that it be the result of a specific, distinct, miraculous act of God for every creature? When God created the universe, the perfect laws of nature were also created, which influenced the development of all life forms. This truth, which eliminates the conflict between faith and science, is proven by gematria.

Instead of the traditional interpretation of this passage to mean that man was created a living being, is it possible for this to mean that there was a miraculous transformation of man, who God had already created a physical being, into a being with an everlasting spirit?

After (H310) God (H430) breathed (H5301) into the nostrils (H639) of man (H120) the breath (H5397) of life, (H2416) all (H3605) men (H120) were born (H3205) with (H854) a spirit. (H7307)

The flesh of man was created by God through the laws of nature established by the Creator at the foundation of the universe, as all other creatures were created. However, man is the only living creature to receive a spirit from God. In Scripture, the Hebrew word for "with," is sometimes implied but not written. Whether or not the root word for "with" is used in the following sentence, it is confirmed that God used the perfect laws of nature which He established to create man.

God (H430) created (H1254) man (H120) the only (H3173) living (H2416) creature (H5315) with both (H8147) a body (H6106) of flesh (H1320) and a spirit. (H7307)

Is there any way that the words which have been identified for the gematria values of the sentences related to creation could have come about merely by chance? Every sentence composed with the primary spelling of Hebrew words is consistent with Biblical truth. The words associated with the numerical value of the sentences not only confirms that God created the universe from nothing, and created all life, but also that man is the only creature to have been created in the image of God by having received a spirit. It also confirms that God used the perfect laws of nature which He established at the moment of creation to form all creatures, including man, "of dust from the ground."

I also composed sentences using root words in Hebrew that were not directly related to what is written in Scripture, but according to what I felt was a revelation of truth from the Spirit of God. One should certainly be skeptical of such a claim, but observe the following gematria findings which came to me as I simply composed sentences according to the way I have interpreted the

Genesis story in accordance with what is known through science regarding the existence of physically modern man for >150,000 years. I made no attempt to arrive at a specific numerical value, and had no prior knowledge of the words that have the gematria values that were calculated for the sentences.

Whatever one believes concerning the origin of man is inconsequential in regard to one's salvation, but would it not be appropriate for all Christians to refrain from insistence upon the

traditional literal interpretation of the creation story, and rejecting from the body of believers those whose knowledge of science leads them to interpret the Bible in light of that knowledge. A scientific explanation for the origin of mankind's physical body does not diminish the truth found in Scripture. In fact, Scripture tells us that it is God's intention that men should know that they are beasts: *I said in mine heart concerning the estate of the sons of men, that God might manifest them, and they might see that they themselves are beasts. For that which befalleth the sons of men befalleth beasts; one thing befalleth them: as one dieth, so dieth the other; yea, they all have one breath; so that a man hath no preeminence above the beast; for all is vanity.* Ecclesiastes 3: 18-19. When the same root words from this passage of Scripture are used, gematria confirms that God has made manifest to man that due of the laws of nature which God has established, man's physical body has no preeminence above the beast.

Concerning (H5921) men, (H120) God (H430) has manifest (H1305) that they (H1992) might see (H7200) that they (H7945) themselves are beasts, (H929) and that which befalleth (H4745) the sons (H1121) of men (H120) befalleth (H4745) beasts. (H929)

Scripture also makes it clear that we are more than simply beasts; God gave man an everlasting spirit with understanding of his spiritual nature so that we might be able to control our animal nature, and have fellowship with our Creator. It is impossible for man to completely overcome the animal instincts of our flesh, and that is why God came to earth in the flesh to offer Himself as a sacrifice for our salvation. The reality of that truth is confirmed by the method of gematria to which I have been led by the Spirit in relation to everything which Scripture proclaims regarding Jesus.
