## About Us

Started in 2006, Kremmer's Café & Catering, LLC has grown from a simple catering company to now serving over 8,000 meals daily to communities in Eastern Pennsylvania and New Jersey.

The community kitchen concept is based on the premise that recognizes the tremendous impact that food plays in the everyday lives of people and the communities in which they live. It is vital to the health of the community that all members have access to healthy, affordable food in their homes, schools, workplaces, grocery stores, restaurants, entertainment sites, and other community venues.

Kremmer's Community Kitchen exists to support the community food system by providing affordable, quality food service solutions that positively impact the lives of our clients and ultimately the communities in which they live.
