Shalom! I hope you can join me (Abraham) and my wife Sheila for an amazing time
experiencing The Land and The People of Israel - happening in Nov. 2020.

God granted me the blessing of growing up in a home that is Jewish AND believes in
Jesus! I have been a leader in the Messianic community since 1979 - leading worship,
teaching, sharing the Good News of Yeshua - Jesus and serving in all kinds of “nuts and
bolts” capacities as well.

We are planning a ***special*** time in Israel - our goal IS NOT to run around to EVERY spot
and hear EVERY fact ... For sure - you'll see lots of spiritually significant places and gain
lots of understanding about those locations, ... but our time will be more SPIRITUALLY
oriented than historical.

In addition - you will have time to interact with Israelis. You'll be able to hear from Arab
and Jew, believers & non-believers - and understand for yourself what is really happen-
ing in Israel today. You'll know better how to pray and wisely get involved if you desire.
