AEO Workshop Offerings, May/June 2019

Workshop Scheduling Policies (effective 1 April 2019)

We ask that you reserve your workshop spot by contacting AEOstudios and pay a 50% non-refundable deposit. Don't have it? We will work with you, as full payment is required before the session/s starts.

In order to maintain a conducive learning environment, all of our classes have a minimum/maximum class size. If the reservations for the class is below the minimum (3 per workshop), we reserve the right to reschedule for a later date with our apologies, or allow the participant to enroll with an equivalent workshop, and monies paid credited towards that workshop. If you have friends or family members interested in the same subject, learning together could be a fun thing.

If a participant needs to reschedule a class (we understand, life happens), please contact AEOstudios ASAP. While we do not offer refunds, we will work with you to enroll you into an equivalent workshop or ensure a spot in the next time we offer the specific workshop. We will charge/refund the difference of the change.

Private tutorials are available by arrangement only, as our schedules permit; minimum charge is \$250/4 hours.

We invite you to contact us at any time if you have any questions.

*If additional time is needed beyond scheduled workshop time, it is AEO's discretion to charge a tutorial fee of \$25 an hour (regularly \$50 an hour) plus supplies, as needed, on a case-by-case basis.
