Permission to Counsel

I authorize Pastoral Counselor Daniel Rodriguez to provide biblical counseling using the Bible as his foundation. I believe that the scriptures provide all things for life and godliness (2 Peter 1:3). I understand that I may ask questions at any time. I affirm that my request for services from Daniel Rodriguez is voluntary and that I may discontinue at any time. Additionally, Daniel Rodriguez, for reasons sufficient to himself shall have the option of terminating counseling.

I understand that Daniel Rodriguez is NOT a licensed Mental Health provider. All counseling is provided free of charge as a faith ministry of Cleanwaters Counseling Ministries (CWCM).

Information disclosed in counseling sessions will be held confidential only as the counselor believes the Bible requires. Absolute confidentiality is not scriptural; for instance, matters of church discipline, under certain circumstances, may require one to disclose facts to others (Matthew 18:15 ff).

I further understand that, by law, Daniel Rodriguez must report knowledge of elder abuse, child abuse or suspected abuse to the authorities; Daniel Rodriguez has a duty to warn intended victims if a threat of physical harm from a client is judged to exist; and a client's serious threat of self harm will also be reported. I understand that if a judge orders disclosure within the court, Daniel Rodriguez will obey the order.

I understand that Daniel Rodriguez may discuss elements of our work together in confidential settings with elders of the local assembly, other pastoral counselors and/or health providers for the purposes of providing better service and accountability.
