

The Ultimate NLP Trainer and Master Trainer Training, 2017

Dr Henrie Lidiard

Dr Wyatt Woodsmall

Reb Veale

With **Dr Wyatt Woodsmall**, Co-Founder of INLPTA and Leading International NLP Master Trainers

What previous participants say about the most exhilarating and transformative trainers training available globally today.

"You will develop more skills in this training than at any other period of your life"

"Fun, exciting and an unprecedented opportunity for your personal growth and wellbeing"

"Challenging and stretching with deep encouragement and support"

"You'll gain amazing levels of learning and development, seize this opportunity with both hands!"

You'll gain:

- Powerful training design principles
- Magical platform skills
- Deep integration of your NLP knowledge and Skills
- The skill and confidence to lead and train any audience
- Profound levels of self-awareness and personal development
- Mind – body integration to make learning easier and more effective
- The skills to market your trainings successfully
- The credibility, competence and integrity that make INLPTA the Gold standard in NLP
- Strategic content, taught and aligned over 5 continents
- The choice to certify as an INLPTA NLP Trainer or simply to get the best CPD available globally for trainers and L and D consultants
- A sense of your own training gifts and excellence
- A rich and deep personal evolution experience
- Pathways for your further development
