Communication Process

When a player or parent has questions or concerns regarding the program or a player's individual role on the team, it is important to keep in mind the following communications process that has been adopted by the Clearview Baseball Program. This process provides an effective and efficient progression, focused on solving any problem that may develop throughout the season.

Four Step Action Plan

Step 1:

The concerned player should approach his immediate head coach to schedule a time to discuss his questions or concerns. If the player does not feel comfortable and/or satisfied with the outcome of this meeting, he should move forward to step 2.

Step 2:

The concerned player should request a meeting involving himself, his immediate head coach and the Varsity Head Coach. If the player does not feel comfortable and/or satisfied with the outcome of this meeting, he should move forward with step 3.

Step 3:

A meeting involving the player, the necessary Clearview Baseball coaches and parent(s)/guardian(s) should be requested via e-mail (in writing). This **written document** should include a brief explanation of the player/parent concerns. If this meeting does not resolve the situation, the player and his parent(s)/guardian(s) should move forward to step 4.

Step 4:

A meeting involving the player, the necessary Clearview Baseball coaches, parent(s)/guardian(s), and the Clearview Athletics/Activities Director. If all of the involved parties are still not

Follow The Pioneers at Our Website:

www.clearviewbaseball.com

comfortable and/or satisfied with the outcome of this meeting, additional alternatives should be discussed to resolve this matter.

Additional Information

1. All discussions should focus on individual questions or concerns.
2. The performance and ability of other players will **not** be a subject of discussion. This is contrary to our team values of mutual respect and support.
3. Before leaving any meeting, be sure to clarify and summarize your thoughts and feelings. This will ensure that everyone involved has a clear understanding of the meeting's outcome.

Pioneer Baseball Player Contract

My first commitment at Clearview is to be a **student**. I have to conduct myself as a gentleman in the classroom as well as on the field. I will do all that I can to the respect of my teachers and fellow students.

Playing baseball at Clearview is a **privilege**. I have been selected to play and should consider myself an elite athlete. I will take advantage of the privilege to play high school baseball and make the most of it.

The **team comes first**. It is "WE" and not "I". Personal statistics are not as important as team goals. Placing OUR team above your own personal goals will allow us to be greater than we can be on our own.

Loyalty is a must. Complaining, criticism, and sarcasm will prevent us from greatness. Expect issues to occur and learn to communicate and resolve them in a positive fashion.

Practice Guidelines and Expectations:

1. I will be on time to all practices, meetings and games. (Pioneer time is 5 minutes early)
2. I will attend every practice and game (only excused absences will be accepted)
3. I will give 100% on the field. I will carry out all instructions immediately and with a good attitude. I will hustle on and off the field. I will run hard on every ball hit.
4. I will give 100% in the classroom. I am a student first.
5. I will follow all classroom and athletic rules, knowing that the coaching staff can impose penalties in addition to school sanctions.

9. I will communicate concerns, questions, or problems to my coach at an appropriate time away from my teammates after a game or practice.
10. I will treat the umpires and opponents with respect.

12. I will adhere to all laws and will exhibit a high degree of character. (For example, I will never steal from other students, teammates, or from the school.)
